March/April/May 2022

From Darcy+

If you read the weekly email news from February 10, you know that the Rector Search Committee came to the decision to reopen the search. If you missed it, it is reprinted on page 4 of this edition of *The Messenger*.

Committee chair Libby Rice wrote: “While we are disappointed to have to ‘begin again,’ we are steadfast in our quest to present the name(s) of candidates to the Vestry who would be the best possible person to replace our Darcy+. We appreciate your continued prayers.”

Since being commissioned at the end of August 2020, the Search Committee has devoted countless hours and worked diligently to develop a parish profile and create a portfolio of information about Emmanuel for clergy seeking a new ministry call. Their work included a complete revision of the parish website, a comprehensive survey of parishioners, as well as holding multiple focus sessions on Zoom. Their goal: to present an accurate picture of Emmanuel, and an accurate description of the priest this parish is seeking to call as its next rector. Once candidates’ names were received, they began the important work of interviewing these applicants. A Rector Search is more than just “job placement.” The relationship between rector and parish is one grounded in prayer, inspired by the Holy Spirit, and centered on God. It is a special relationship, and the process of calling a new rector cannot be rushed.

To that end, the Vestry and I wrote to Bishop Marray requesting another extension to my time of ministry as your priest-in-charge during this transition. He has agreed to another 12-month extension, should the search take that long. While this is beginning to feel a little like “Groundhog Day,” I am pleased to be able to tell you I will continue to be with you here at Emmanuel for a while longer!

Let’s see what new and exciting things God has in store for us as we take the next steps in our journey together. Peace and blessings,
Darcy+

Kudos to the Search Committee! Not just for all their hard work on their assigned task, but for their courage in saying that they had not seen a candidate that would fit with Emmanuel, so they are starting again. It could not have been an easy decision.

A restart is disappointing, but I am confident that there is a candidate meant for Emmanuel out there and the Search Committee will find that person. We have been saying the prayer for Search for a Rector together every Sunday for more than two years. And I am sure that during the week, we add our own prayers. Perhaps it’s time to redouble our efforts – to pray without ceasing for the Holy Spirit to sustain and inspire the Search Committee and to whisper in the ears of potential candidates, that Emmanuel and Chestertown would be a great place to further their ministries.

In all of this transition, we have been more than blessed to have Darcy, as our priest-in-charge, who has enabled Emmanuel to remain strong and to continue to live out our mission to serve God, through worship, stewardship, and outreach.

As we move into Lent and the Easter season, this will be a wonderful time to take advantage of both penitential and joyous time to uphold us in the transition. Keep hanging in there, everyone.

Blessings, Sandy

VESTRY HIGHLIGHTS from January and February

- Approved the budget for 2022.
- Approved resuming Coffee Hour in February once COVID positivity rates decline to below 10%.
- Received reports from the Vestry liaisons to the various parish committees, including the Stewardship Committee. It was noted that pledges have continued to come in, allowing the Vestry to approve a balanced budget for 2022.
- Appointed a committee to work with the Wardens on the wording and placement of a plaque on the exterior of the church building recognizing the role enslaved persons played in the construction of our church building from 1766-1782. The committee will also assist in obtaining the appropriate permissions from the Maryland Historic Trust and the Chestertown Historic Commission for displaying the plaque on the exterior of this historic building.
- Approved hosting the Artist Fellowship Exhibit of work created by the five Kent County fellowship artists (Bogey Brown, Allen Johnson, Jason Patterson, Mike Pugh, and Gordon Wallace) who were commissioned to interpret one or more stories of African American history collected by Chesapeake Heartland. The exhibit is being presented by the Kent Cultural Alliance and Chesapeake Heartland.
- Discussed lifting the indoor mask mandate for fully vaccinated persons in accordance with the guidance issued by Governor Hogan. Decided to wait until COVID transmission levels fall further before changing our mask requirements.
- Approved a letter requesting Bishop Marray approve a 12-month extension for Darcy+ as Emmanuel's priest-in-charge.

An Important Next Step in the History of Emmanuel

by Sandra Bjork

As you may remember, last summer and fall, as a result of the research and fine writing by George Shivers and Darcy, there was a series of articles about the history of Emmanuel culminating the handsome trifold display in the Parish Hall. Quoted here is significant statement from those writings, "..., *it has become apparent that the history of Emmanuel Church, Chester Parish, is inextricably intertwined with the history of slavery in Maryland.*"

The Vestry has talked about a good way to acknowledge and respond to that history. Our first steps were the educational efforts of last fall. We examined the ways other churches, institutions, and communities were addressing their own complicated histories "inextricably intertwined with slavery." The approaches were many and varied.

Darcy found a particularly meaningful wording on a plaque at St. James, Hamilton Square, New York City in an article on this topic. The Vestry decided that a similar plaque on an outside wall at Emmanuel would be an appropriate acknowledgement. The language below was fashioned and approved by the Vestry and presented to the parish at the Annual Meeting:

In solemn remembrance of and with gratitude for those enslaved persons who through their involuntary labor and sacrifice made possible the founding and preservation of this church, originally named Chestertown Chapel, 1766.

The Vestry of Chester Parish, Emmanuel Church, 2022

A committee (Frank Durkee, George Shivers, and Edith Foley with the Wardens) is currently considering design possibilities and the best location for placement of the plaque. Once that work is completed, the applications for approval to place a plaque on an exterior wall of the church be submitted to the Maryland Historic Trust and the Chestertown Historic District Commission.

Stay tuned for updates in the Messenger and weekly E-Mail News.

Search Committee Update

At our Search Committee meeting two days after Emmanuel's Annual Meeting, we came to the decision to reopen our search with the Office of Transition Ministry. Our Profile will again be posted on the national website for a period of 6-8 weeks. Priests who are interested in the position of rector at Emmanuel will apply to the Reverend Patrick Collins, who is the Transition Officer for the Diocese of Easton. He will run a preliminary 'Red Flag Check' on any candidates and then send any who qualify to us, for our process of discernment to begin. It is likely that that will happen some time in May. While we are disappointed to have to 'begin again,' we are steadfast in our quest to present the name(s) of candidates to the Vestry who would be the best possible person to replace our Darcy.+

We appreciate your continued prayers.

Lent 2022

We hope you will join us on Ash Wednesday, March 2, at either noon or at 6 p.m. as we enter into the season of Lent. This is the time, as our Prayer Book reminds us, when we are "invited to the observance of a Holy Lent, by self-examination and repentance; by prayer, fasting, and self-denial; and by reading and meditating on God's holy Word." It marks the beginning of a liturgical season dedicated to reminding us of what God has done and continues to do for us in our daily lives. By focusing on God's message of forgiveness and absolution, we are called to renew our commitment to Christ and his church as we reflect on Jesus' life, death and glorious resurrection.

As we all adjust to living our lives in the shadow of the COVID pandemic, we are all making constantly revised decisions about our comfort level in returning to church and church-based activities, as well as other indoor programs and events. Knowing this, the Vestry joins me in inviting you to participate in any or all of these opportunities for prayer and study this season:

Holy Eucharist: Ash Wednesday with Imposition of Ashes at noon and 6 p.m.

Every **Wednesday** at noon.

Every **Sunday** at 8 a.m. and at 10:30 a.m.

Lenten Program: "Entering the Passion of Jesus, a Beginner's Guide to Holy Week" every Wednesday at 6:30 p.m. in the Parish Hall, beginning **Wednesday, March 9**. This 6-week program has both a video and a discussion component. In it, author, professor, and biblical scholar Amy-Jill Levine explores the biblical texts surrounding the Passion story. She shows us how the text raises ethical and spiritual questions for the reader, and how we all face risk in our Christian experience.

Weekly Bible Study: every Wednesday at 11 AM, discussing the scripture readings for the upcoming Sunday.

ONLINE: "Lenten Storytelling with Bishop Porter Taylor" Sunday evenings, March 6 -April 3, 6 – 7:30 PM with The Retreat House. See: <https://retreathousehillsboro.org/>

During Holy Week we will have our traditional service of Holy Eucharist on Maundy Thursday, Good Friday service at noon, Tenebrae with the choir Good Friday evening. Watch the weekly email news for more details.

The 80th General Convention of the Episcopal Church

by Sandra Bjork

It isn't often that a once-in-a-lifetime opportunity happens twice! That has happened for those of us who have lived in Maryland for the last 25 years! We have been able to participate or observe two General Conventions of the Episcopal Church up close and personal. In 1997, the General Convention was in Philadelphia and from July 7 – 14, it will take place in Baltimore.

One of our fellow parishioners had the opportunity to serve as a deputy - seven times - our own Nancy Dick.

For me, it was a one-day bus trip to Philadelphia from my former church in Bethesda and this year, I will have the honor and privilege to be a lay deputy to Convention from the Diocese of Easton. I will serve with four clergy – the Rev. Mark Delcuze, the Rev. Mary (Garner) Friel, the Very Rev. Charlie Osberger, and the Rev. Canon Patrick Collins, and three other lay persons – Eddie Vance, Charlotte (Peaches) Meyer, and Jim Kamihachi. There are four alternates for each order.

I was both thrilled and overwhelmed in Philadelphia. I did not know very much about the business of the Convention, but standing in the auditorium and participating in Noon Day Prayer service with the Presiding Bishop and more than 900 deputies and other Episcopalians was a memorable moment.

The Diocese of Maryland is the host for the Convention and is coordinating volunteers. There are many opportunities to help. If you are interested in volunteering, the 2-Step process begins by completing an online form (https://dfms.formstack.com/forms/volunteer_interest) or call to Caroline Bomgardner at 410-467-1399, ext. 1379. This link will be provided in the Email News.

Maybe an Emmanuel day trip to spend time in Baltimore would be a good way to have a bit of the experience of the General Convention. If anyone is interested in helping to plan and organize or simply be on the bus, please let me know. July will be here sooner than we think.

A Special Opportunity for Rev. Darcy

I will be away from March 14-23, taking advantage of a unique opportunity, and spending some time with family. My daughter is presenting a paper at a conference in France and, since her eight-year-old daughter is on Spring Break during that time, she decided to take her daughter, and invited me to accompany them. How could I say “no”?!

Emmanuel will be in good hands with the Vestry in charge and the Rev. Eleanor Ellsworth taking services on March 20! Thanks for giving me the time to go with them.

Welcome to Emmanuel's Newcomers!

Emmanuel Hosts An Artist Fellowship Exhibit Thursday – Sunday, March 18 – April 1, 2022

The Kent Cultural Alliance (KCA) is excited to present an exhibition of work by five Kent County Artists selected and commissioned to interpret one or more stories of African American history collected by the Chesapeake Heartland: An African American Humanities Project (CH). A panel of six (three KCA Board Members and three CH Steering Committee members) selected the five artists: Bogy Brown, Allen Johnson, Jason Patterson, Mike Pugh, and Gordon Wallace.

Painting by Allen Johnson

John Schratwieser, Director of the Kent Cultural Alliance, shares that “The Chesapeake Heartland Project has been an extraordinary community-wide and county-wide project. It has been our privilege here at KCA to play a small part and to help bring these important stories of American History to light through art.”

The Exhibition will open on Friday, March 18, 2022 with a reception from 5 - 7 p.m. in the Parish Hall at Emmanuel. The artists’ work, in various media such as digital photography, portraiture, ceramics, painting and digital art, will be on display for two weeks. Exhibit hours are Thursday - Saturday, 11 am to 4 pm and Sunday from 1 pm to 4 pm from March 19 through Friday, April 1. There will be an “Artists’ Talk” on Saturday, March 19 at 12 noon, and a closing reception on Friday, April 1 from 5 - 7 p.m. The exhibit and all talks and receptions are free and open to the public. Masks are required inside Emmanuel Church & Parish Hall.

Ranging in age from 25 - 83, the five artists are a mix of lifetime residents of Kent County and relatively new residents, coming from a wide range of backgrounds. These artist fellowship awardees have brought their talents to this project and have helped the KCA to achieve its goal of using art to create access to stories the general public might otherwise not know about.

Kacey Stewart, Assistant Director for Programs and Experiential Learning at Washington College’s Starr Center for the Study of the American Experience said, “The way the five fellows explore Kent County’s African American history in new and creative ways through art really speaks to the power of community members interpreting their own history. We could not be more excited by this partnership with the Kent Cultural Alliance.”

The Kent Cultural Alliance is a 501c3 organization focused on service to and support of artists and arts organizations for the purpose of engaging the people of Kent County through creativity. www.kentculture.org
Chesapeake Heartland: An African American Humanities Project is an innovative new collaboration between Washington College, the Smithsonian’s National Museum of African American History and Culture (NMAAHC), and a broad array of community partners in Kent County, a rural area on Maryland’s Eastern Shore. The project’s name derives from the Chesapeake region’s identity as the heartland of African American history and culture since the arrival of the first Africans at Jamestown in 1619. Kent County, where Washington College is located, is in many ways a microcosm of that history, with its own rich and diverse African American heritage dating back nearly four centuries. www.chesapeakeheartland.org
